

Civil War ledger presented to HCHC

A ledger containing the annual reunion minutes of the Crockett Boys Association of Confederate Veterans from their first meeting in 1911 through the last meeting in 1917 was presented to the Houston County Historical Commission by Chester Roy Julian at the Dec. 21 meeting.

The ledger was handed down to Julian by his great-grandfather W. F. Julian who was elected "Secretary for Life" in the veterans' organization.

A 1911 photograph of 16 veterans, with identifications attached, was also given to the historical commission.

The Crockett Boys were veterans of Company I, 4th Texas Mounted Volunteers, Sibley's (Green's) Brigade, under the command of Captain D. A. Nunn.

Exploits of the Crockett Boys can be found in Thomas Nelms Mainer's book, Houston County in the Civil War.

Accepting the Crockett Boys Association of Confederate Veterans ledger from Chester Roy Julian for the Houston County Historical Commission are David Gallant on right and Bettie Sarver.
