

Kevin D. Merriweather, a 1991 graduate of Crockett High School, and son of Elray and Shirlene Brittian of Crockett, has been proudly serving in the United States Army for 16 years. During his years of duty he has obtained a classification rank E7. Kevin was recently given orders to return to Iraq for a 15 month assignment with the S3/HHC/3-2SScr, Sniper Brigade. He leaves a wife and two children in Valsak, Germany. We the family of Kevin are asking the community to come together in prayer not only for his safe return, but for all the troops who proudly protect and serve our country. Local Lovelady High School student, Chelsey McKnight, considers Kevin to be her hero. Thank you Chelsey for the numerous letters and prayers.
